Giant Dinosaurs Campbell Books boken PDF

Giant Dinosaurs is jam-packed with novelty and features popular dinosaurs such as Tyrannosaurus, Stegosaurus and Diplodocus. Find out how much meat Tyrannosaurus ate in one go, why Stegosaurus had plates on its back, how Diplodocus used its tail and much, much more! Pairing bold, colourful scenes from illustrator Naray Yoon with rhyming text and a page full of further information, this is the perfect novelty book for children just starting to find out more about the world around them. With amazing, funny facts, bright infographics and a mixture of novelties that includes 30 flaps, Giant Dinosaurs is accessible and visual, with all facts checked by Barbara Taylor, a former Science Editor at London's Natural History Museum. Discover more of the First Facts and Flaps series with Amazing Animals
